

To, whom it may concern, Jan, 13, 2023

It was just informed that I'm going to Court. I need to know on what matter will this be on and what date.

I also would like to file a Civil suit against this case as well as the others that's already filed.

And there are some correction that need's to be made in the naming of Ron Brown in Mr Pagan Civil Suit. It's "Don Brown" not Ron Mr. Pagan Misspelled the name.

Also the Court are not responding to Mr. Pagan's motions and Mr Pagan will be addressing the Bar Association about the courts conduct.
